Woodland, CA 95776-5348

Dear Remonda,

Congratulations! The Carnegie Mellon University Admission Committee is pleased to offer you admission to the Department of Chemical Engineering in the College of Engineering on the Pittsburgh campus for Fall 2026.

To accept your offer of admission, please complete the enrollment reply form and submit your deposit in your Where Am I in the Process? portal. For next steps, admitted student visit opportunities and important dates, visit the admitted student website at cmu.edu/admission/admitted. If you applied for financial aid, stay tuned for further updates about your financial aid status and eligibility in the coming weeks.

Please keep in mind that all Carnegie Mellon offers of admission are contingent upon students upholding the academic and personal conduct standards on which their admission was based. The university reserves the right to rescind an offer of admission if circumstances warrant.

On behalf of our faculty and staff, congratulations and welcome to the Tartan community! We're here to support you every step of the way. If you have any questions now or at any point during your transition to Carnegie Mellon, don't hesitate to contact the Office of Admission.

Sincerely,

Miguel Alvarez
Executive Director of Admission
